

GHANA NATIONAL PETROLEUM CORPORATION (GNPC) INTERNATIONAL COMPETITIVE TENDERING

TECHNICAL SERVICE: PRE-QUALIFICATION - SURFACE GEOCHEMICAL SURVEY ON THE VOLTAIAN AND ONSHORE TANO BASINS. REF No. GR/GS/GNPC/TSERV/2023/02

BACKGROUND: The Ghana National Petroleum Corporation (GNPC) invites applications for pre-qualification from internationally reputed geochemical service providers to carry out the Surface Geochemical Survey on the Voltaian and Onshore Tano Basins. The activity is set to commence in the Second (Q2) quarter of 2023 and should span a period of not more than eight (8) months.

The Voltaian is an onshore Basin that occupies about 40% of the total landmass of Ghana, about 40,000 square miles. The onshore Tano basin stretches from east of Ivory Coast border to the mouth of the Ankobra River. The basin has a total landmass of about 1,165 sq. km and is noted for the occurrence of oil seepage, gas and oil sands.

Tendering will be conducted through the International Competitive Tendering procedure specified in the Republic of Ghana's Public Procurement Act, 2003, (Act 663) as amended by 2016 (Act 914) and is open to all Tenderers from eligible source countries as defined in the Guidelines of the Public Procurement Authority of the Republic of Ghana.

Interested eligible tenderers may obtain further information and inspect the prequalification document at the Supply Chain Department of GNPC, 4th Floor Dennis House on working days between the hours of **10:00am to 12:30pm** and **1:30pm to 4:00pm** from **Tuesday February 7, 2023** or contact GNPC via **tender@gnpcghana.com**.

A complete set of prequalification documents may be purchased by interested eligible tenderers on the submission of a written application to the address below and upon payment of a non-refundable fee of Five Hundred United States Dollars (**\$500.00**). The method of payment shall be by cash, Banker's draft in the name of Ghana National Petroleum Corporation or wire transfer into the account below. If requested, the documents will be promptly dispatched electronically.
